LITE BITES

FRENCH DIP SANDWICH

At Skinny Dip, enjoy elevated sandwiches in a French bistro setting. The process of making it is time-intensive and laborious, where rump roast is slow-cooked for hours in beef stock and onions to achieve the incredible flavor and that melt-in-your-mouth texture. The roast is then shredded, paired with pickled onion, and secret mustard sauce, and sandwiched between a crusty french roll that diners can use to soak up the rich au jus served on the side. Taking a bite of our sandwich is described as having a "tsunami of flavors in one's mouth".
